Subject: Comments to NPRM No. FAA-2001-11133, Certification of Pilots, Aircraft and Repairmen for the Operation of Light Sport Aircraft

Name: Eugene Evans
Address: 39250 22nd St West
City: Palmdale
State: CA
Zip: 93551
Email: triker@mindspring.com
Phone: 661-267-0937

Comments: The parachute weight exemption in ultralights should remain and also be applied to the sport aircraft.
There would be a safety issue for those pilots who did not install a parachute because it put their aircraft in a different catagory.
